Carlsbad, CA

Workshop with Ellyn Bader and Lori Weisman

The current model of weekly therapy is broken. After 50-minute sessions, couples often go home retraumatized and come back to you detailing their most recent fight. Couples Intensives allow you to do about 6 months of therapy in just 2 days. Since early 2022, we have been providing a 2-day training to teach you exactly what you need to lead your own intensives, including 2 binders full of handouts for you and your couples. Join Ellyn Bader and Lori Weisman to learn this transformational approach to couples therapy.

The Networker Symposium

The Networker Symposium is the place to access the latest advances in the field and discover a range of fresh ideas and inspiration for your practice. Ellyn will conduct two workshops on March 23: *Managing the Crisis of Infidelity* and *Getting Off to a Powerful Start in Couples Therapy*. Ellyn will host a reception for members of the Couples Institute Community! We'll be in touch with more details soon.
